Entered the Sisters of Charity of
Leavenworth, Kansas

When Ben married Viola he purchased a farm North of the family home, later known as the John Fuemmeler farm. After a few years the family moved to Moberly, where they also farmed. When he was unable to do all the heavy work on the farm, he purchased a house in Moberly for his retirement years, but kept busy with a large garden and continued interest in his farming. Walter now lives on his home place.
